Thank You Lady of the Lake Dance Camps for our pavilion. It has been a great gift for all. As a dance pavilion, to a yoga space to a wedding site, it has been loved by many.

It is because of N-Sid-Sen's relationships with folks like Lady of The Lake that we continue to be a vital part of the larger community that we are in. The "Point of Inspiration" is spreading widely. We here at N-Sid-Sen say, "Thank You" Thank you for being in partnership with us.

Due to the camps not happening this summer and fall, we now anticipate a budget deficit of approximately \$215,000 this next fiscal year (June 2020-May 2021). The Pacific Northwest Conference of the United Church of Christ has committed \$100,000 to support N-Sid-Sen in this time of financial need. That support comes with an invitation to those of us who hold this camp dear.

We invite all of you to help us in reaching our total campaign goal of \$200,000! Currently we have already raised over \$145,000 toward that goal!

Donations can be made through our website www.n-sid-sen.org, or by check ;
