

# PNC Women's Retreat

May 19-21, 2023

## Dare to Dream: Healing Ourselves, the Earth and Our Communities

Join women of the Pacific Northwest Conference at N-Sid-Sen for a weekend of faith, fellowship & joy! You are invited to set aside intentional time for renewing yourselves both individually and collectively.

Come as you are. Participate as you feel called.

Be close to nature, close to one another, to our God and our authentic selves.

We will hear stories of the earth and of our life experiences as we seek renewal, healing and inspiration.

Your facilitators for the weekend are Patty Ferguson, MaryLu Hubbe & Hannah Klaassen from Westminster UCC in Spokane.

***\*This gathering is expansive to include all women, trans and cis, as well as non-binary people comfortable in a space that centers the experience of women.***

How do we answer the cries of our earth and our communities, and also learn to care for ourselves? Let us learn from the wisdom of our beloved planet and from the wisdom within and around us.
