

Health Care Provider

Spend a week or two weeks at a youth camp on Lake Coeur d'Alene!!

N-Sid-Sen Camp & Retreat Center rests on the eastern shore of Lake Coeur d'Alene, about 40 minutes from the city of Coeur d'Alene. We are a faith-based camp where All Are Welcome. Our goal is to provide "A Ministry of Hospitality." Our camper population falls into the "general" category. While we do have a few campers with special diets and moderate medical needs (i.e. allergies, asthma, diabetes), we are not a medical camp. We serve 30-40 campers per week.

Dates: July 13-26, plus orientation and prep time prior to the first session
The health care provider lives on site. A private room is provided.

Minimum Qualifications:

1. Must enjoy working with children/youth and possess a sincere desire to serve others
2. Currently licensed as an RN, LPN, or other license that allows for medication administration

Salary & Other Details:

- \$150-\$200 per full day of work, DOQ
- 24 hours off between weeks
- The flexibility of the schedule allows ample time to enjoy the views or just read a book.
- Housing on site and most meals

Overview of Responsibilities:

- ❑ Provide general health care and treatment for campers and leaders, and administer OTC and prescription medications. Most prescription meds are prescribed in advance by licensed medical providers. We do keep Epi-Pens and meds for opioid overdoses on hand for emergency use.
- ❑ Ensure generally accepted procedures are followed, including the use of universal precautions, disposal of medical waste, and managing and safeguarding medications.
- ❑ Maintain the medical log with all treatments and medications administered.
- ❑ Review camper and leader Health Forms and share appropriate information with the leadership team prior to the beginning of each session.
- ❑ Greet families, screen campers as they are arriving, and gather any final information from parents.
- ❑ Visit various program areas throughout the sessions.
- ❑ Inventory supplies and make recommendations for items to be purchased.
- ❑ As time allows, check first aid kits throughout the site and restock.
- ❑ Connect with the Managing Director and Event Co-Directors regarding issues as needed.
